The Adair Village **Planning Commission** will hold a public hearing at 6:00 PM on October 15, 2019 and the Adair Village **City Council** will hold a public hearing at 6:00 PM on November 5, 2019 in City Hall at 6030 William R. Carr Avenue, Adair Village to consider the following matter.

Date:	September 24, 2019
Applicant:	City of Adair Village
Nature of Application(s):	Comprehensive Plan
Applicable Criteria:	Chapter 9.700 Transportation Amendments and the adoption of the City's New Transportation Systems Plan (TSP)
Property Location:	City Wide
Staff Contact	Patrick Depa, Associate Planner

The City will be conducting public hearings to consider corrections to the existing Transportation section of the Comprehensive Plan and recommending adoption of the city's Transportation Systems Plan (TSP). The changes to the Transportation section of the Comprehensive Plan come directly from the recommendations in the TSP and from certain levels of growth and development that are occurring in the city that renders the current data obsolete. Because of this, the city is proposing some appropriate amendments to various sections of the comp plan to address new data, growth and legislative changes.

Copies of applicable sections of the Staff Report and related documents can be reviewed at City Hall for free or be obtained at the City Manager's Office at City Hall for the cost of copying. Any interested person may submit testimony prior to or at the public hearing. Please reference the file number noted above in all correspondence. The Staff Report will be available for review seven days in advance of the hearing date. Written comments received seven days in advance of the hearing date will be distributed with the Staff Report to the City Council.

The public hearing will be conducted in a manner that permits testimony from the applicant, followed by testimony from proponents of the request, testimony from opponents, and testimony from governmental bodies and agencies. The applicant will then have a right of rebuttal. Any persons offering testimony may request that the hearing be continued in order to address new evidence submitted. The Planning Commission will review the application(s) for compliance with the applicable criteria. Failure to raise an issue in person or by letter with sufficient specificity to afford the City an opportunity to respond to the issue may preclude future appeals.
