The subject properties are owned by Ronald Weigel, Timothy Cornelius & ODF & W and encompass approximately fifty-five (55) acres. All properties are vacant but, have approximately thirteen (13) acres between them that are encumbered by a conservation easement and therefore not available for urban development. The City's Comprehensive Plan identifies the subject properties for development as residential; if annexation is approved, the city is proposing the northern property to be zoned Medium Density Residential (R-2) & the southern properties to be High Density Residential (R-3).
